

VIANDEN, Vue prise de la Route No 322 - Chalet Mont St. Nicolas

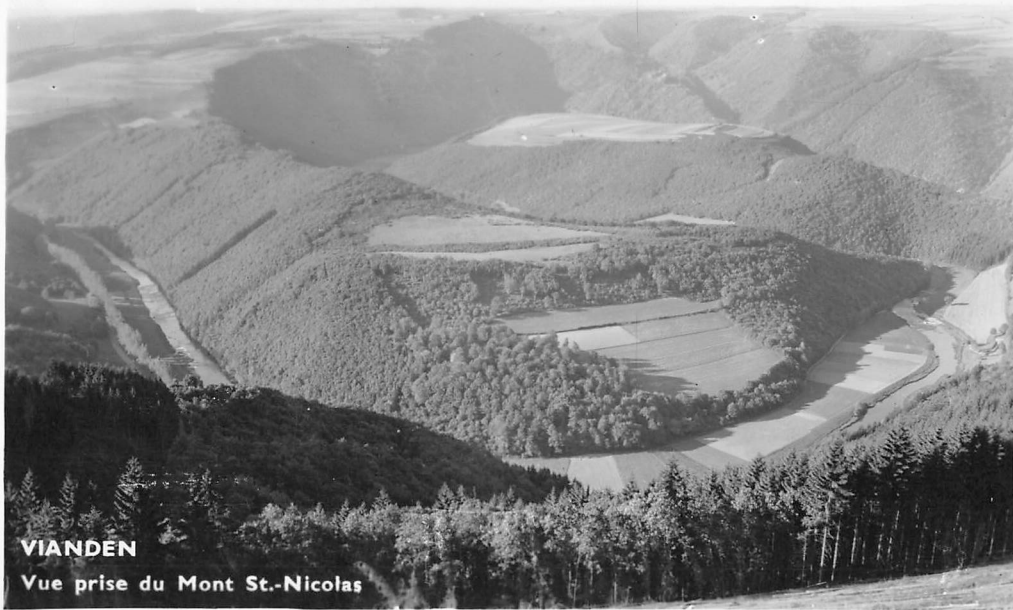

A black and white photograph showing a small, single-story chalet with a tiled roof and stone-textured lower walls. The chalet is situated on a grassy hillside. A paved terrace with a low metal railing extends from the chalet, where several people are seated at outdoor tables. The chalet has three windows with white frames. Above the windows, the words "CHALET DU MONT SAINT NICOLAS" are inscribed. To the left of the chalet, a row of trees stands on the hillside. In the background, a wide valley with a winding road and distant hills is visible under a clear sky.
